

Fall Fest Pop Up

“More playgrounds and trails”

“Add lighting in the streets”

“Bring more stores and restaurants”

These are just a few of the ideas heard at the Re-imagine Carpentersville Together Fall Fest Pop Up on Saturday, September 25.

The team explained what a comprehensive plan could do – it sets a vision and strategies to make Carpentersville an even better place to live. From families with strollers heading to the pumpkin painting booth to those listening to the bands to people coming out to eat or shop, we listened and captured their ideas.

Residents had a variety of activities to choose from – from taking a quick poll to sharing ideas on a poster to making comments on a map. Key themes included:

- Bringing more stores and businesses to key areas around the Village, including Route 25 and Spring Hill Mall
- Offer more places and activities for children, teens, and families
- Plan and market more events like Fall Fest
- Seek out job opportunities and training for residents
- Connect parks and trails

It's not too late! Share your ideas on the website via the Quick Poll and Comment Map. Make sure to RSVP to attend the first Community Workshop on November 9 at 6:00 PM at the Brix on the Fox, 260 S. Washington Street.
